

IA Certification Complaint Form

IACB has established policies and procedures to fairly and consistently address alleged violations. Complaint procedures are designed to ensure that valid and actionable complaints are investigated and considered, and that all parties involved in the complaint have an opportunity to document circumstances warranting the complaint and to respond. Please see the IA Certification Candidate Handbook for the complete Discipline and Appeals Policy.

If you would like to file a complaint against a certified professional, please complete all requested information and send to:
