

# Basic Irrigation Hydraulics

## Student Workbook

By Ramesh Kumar, PhD and Eudell Vis

ISBN-13: 978-1-935324-01-0 ISBN-10: 1-935324-01-2

Developed  
for the

Smart practices.  
Sustainable solutions.

May 2010

## Table of Contents

<b>Introduction to Irrigation Hydraulics</b> ..... 7	<b>Introduction to Dynamic Pressure</b> ..... 43
How Does Hydraulics Affect an Irrigation System?..... 7	Factors Affecting Dynamic Pressure ..... 43
<b>Objectives</b> ..... 7	Dynamic Pressure Calculation ..... 43
<b>Introduction to Irrigation</b> ..... 8	Friction Losses for Pipe Fittings..... 45
Irrigation Defined ..... 8	Friction Losses for Other System Components .... 45
<b>Facts about Water (as it relates to pressure and volume)</b> ..... 10	Typical Pressures and Flows for Sprinkler Irrigation..... 46
Creating Water Pressure ..... 10	Typical Pressures and Flows for Drip Irrigation .... 46
<b>Static Pressure</b> ..... 13	Pressure and Flow Summary ..... 46
Introduction..... 13	Dynamic Pressure Summary ..... 49
Static Pressure and Elevation ..... 14	Practice Problems #4..... 51
Static Pressure Summary ..... 18	<b>Hydraulics Summary</b> ..... 55
Practice Problems #1 ..... 19	<b>References and Suggested Supplemental Reading</b> ..... 57
<b>Water Movement in Irrigation Systems</b> ..... 23	Manuals and Books ..... 57
<b>Flow</b> ..... 23	Training CD..... 58
Flow Summary ..... 25	Web Sites..... 58
Practice Problems #2..... 27	<b>Acknowledgments</b> ..... 58
<b>Introduction to Pipes</b> ..... 31	<b>Glossary of Terms</b> ..... 59
<b>Friction Loss (Pressure Loss)</b> ..... 31	Please note: Glossary terms are <i>bold italic</i> the first time they appear in text.
Introduction to Friction Loss..... 31	<b>Figure Legend</b> ..... 61
Factors of Friction Losses ..... 32	<b>About the Foundation</b> ..... 62
How to Find Friction Losses..... 34	<b>About IA</b> ..... 62
Friction Loss Table ..... 35	<b>Section A — Friction Loss Charts</b> ..... 63
Friction Loss Summary ..... 38	
Practice Problems #3..... 39
