

## Code of Ethics

I subscribe to the following code of ethics:

- Uphold the integrity of the irrigation industry.
- Protect public health and safety.
- Comply with all local, state, national laws, and regulations.
- Adhere to the concepts of free enterprise.
- Follow fair and honest business practices including legitimate representation of my personal capabilities, experience, certifications, and licenses.
- Apply ethical business practices to all contractual and warranty obligations.
- Use responsible procedures in the design, installation, maintenance, and management of irrigation systems.
- Promote best management practices for water, soil, and energy through efficient and cost-effective irrigation systems design, installation, maintenance, and management.
- Work to gain respect and recognition for the irrigation industry at the local, regional, national, and international level.
