

Classes for Licensing

Effective Jan. 1, 2012, the Irrigation Association will begin licensing materials on an annual renewal basis. With annual renewal, the provider is supplied with the latest version of the materials once per year.

There are 16 unique courses available for licensing. Principles of Irrigation is offered in either an agriculture format or a turf/landscape format with minor differences in the supplied materials. To license a class, contact the education department at education@irrigation.org (703.536.7080).
