

# 2022 Registration Fees

The Irrigation Show provides two types of registration, both offering **admission to the show floor and exhibits, as well as the following programs and events:** Viva Las Vegas Reception, Industry Insights, general session, new product contest, Heritage & Heritage Cares Foundation Irrigation Show Concert, the Craft Brewfest and other networking events.

- **Irrigation Show registration**
- **IA University registration** — This registration includes classes as well as all the programs and events above. The cost is dependent on the price of the class(es) selected. Advance registration is required. For exam registration, visit [www.irrigation.org/showexams](http://www.irrigation.org/showexams) by **Nov. 16**.
