

Irrigation Hydraulics Laboratory

Student Workbook

By Ronald E. Sneed

ISBN-13: 978-1-935324-48-5

ISBN-10: 1-935324-48-9

Developed
for the

*Smart practices.
Sustainable solutions.*

April 2010

Table of Contents

Introduction	7
Objectives.....	7
Elevation Change.....	8
Friction Loss & Velocity Equations.....	9
Pipe Friction Loss Equation	9
Pipe Velocity Equation	10
Friction Loss in the Pipe System	11
Main Line Friction Loss.....	11
Friction Loss in Valves & Fittings.....	12
Lateral Line Friction Loss.....	12
Total Dynamic Head	15
Energy Costs	16
Summary and Conclusions.....	16
Field Application Phase of the Laboratory.....	17
Equipment & Layout	18
Laboratory Exercises.....	21
About the Foundation	43
About IA.....	43
Section A — Friction Loss Charts	45
